## STOP THAT ACHE!

Don't worry and complain about a bad back. Get rid of that pain and lameness! Use Doan's Kidney Pills. Many Norway people have used them and know how effective they are. Ask your neighbor! Here's a Norway case.

E. C. Libby, tax collector, Sanborn St. says: "I had a great deal of backache and it annoyed me to do anything. Not only this, but my head ached and I noticed little specks floating before my eyes and my sight blurred. I used different remedies but it was left to Doan's Kidney Pills to give me lasting results. I got Doan's Kidney Pills at the Stone's Drug Store. Since using Doan's I have had no return of the kidney complaint and naturally I place great confidence in this remedy." (Statement given June 6, 1916.)

On September 3, 1920 Mr. Libby said: "I haven't had occasion to use Doan's Kidney Pills or any other kidney medicine since being cured by Doan's in 1916. My faith in this remedy is just as strong to-day as when I first endorsed them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Libby had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

## Again Hudson Wins at Pike's Peak

*Breaks All Time Records Except Its Own*

A Hudson Super-Six special, entered and driven by the Hudson dealer of Oshkosh, Neb., again won the Pike's Peak hill-climb classic up the highest road in the world defeating teams of much costlier cars, driven by such noted professionals as Ralph Mulford and others.

Hudson won the Penrose cup for the fastest time of any car in the three events. Hudson's time was 19 min. 16.2 seconds. This time has never been equalled

except by another Hudson Super-Six special, which in 1916 set the record for the course of 18 min. 24 seconds.

That record still stands despite the fact that time after time the costliest special cars have struggled to match it.

Isn't it convincing evidence of Hudson's superiority, that a car entered and driven by a dealer, so decisively defeated the specially built, professionally driven teams that the makers of costlier cars sent out to win?

### ALBANY

#### Albany Line

A Trip Around the Mountains Through 6 notches, from Sept. 1 to September 11. A party of 15 consisting of Mr. and Mrs. Olin Upton and three sons, Ross, Percy and Wayland, Mr. and Mrs. Charles Dunn and son Edwin, Mr. and Mrs. Walter Lord and two children, Myron and Gwendolyn, and their two boarders from New York, Harvey Devine and Wesley Fietz, and Adelaide French, through Gorham, Pinkham Notch, taking dinner at Glen Ellis Falls; through Brettons Woods to Franconia Notch, visiting the Plume and Lost River; through Bethlehem with its 30 hotels, camping at Easton, beside a beautiful brook; through Littleton, Whitefield, Lancaster, Groveton, Stratford, Cold Brook, past The Balsams, camping in Dixville Notch; through Errol and Upton. They took dinner at Screwwager Falls in Grafton Notch and home by way of Bethel.

No one can imagine the beauty and grandeur of such a trip unless they can see for themselves. Camping in the wilderness beside the grand old mountains, sitting around the camp fires at night, after a supper that has been cooked over the rude cook stove made from nature's own materials. How good it all tasted—the hot coffee, boiled eggs, griddle cakes and broiled steaks. There is still left in us poor human beings a hankering for the primitive, a longing for the wild, free life of our first ancestors.

SEPTEMBER

The son or daughter of this month should wear sapphires that are blue as blue flowers. The sapphire is noted as a regal gem. Kings have worn it about their necks as a powerful defense against harm or danger. Helen of Troy wore a rare sapphire as a potent love-charm. And it has taken the greatest epic poetry to recount her captivation of Paris, who carried her to Troy, whence arose the Trojan war incited in her defense by her numerous suitors.

## EAST BROWNFIELD.

## All "Het" Up

Over the mysterious Mrs. Sawyer, who called on Mrs. Winnie Bickford, trying to engage board. From there to Gran Mansfield trying to pass herself off as a new housekeeper, then to "Pinehurst," the private hospital, trying to get in as a consumptive with a terrible cough.

Then to the post office, where she indulged in a flirtation with our honorable and respected Dr. Clarence Marston, to the disgust of Mrs. Marston and daughter Arline.

Next to Joe Clements and raised riots in this peaceful family. Nearly got the girls packing up their things and looking elsewhere for a safe place to live. Mrs. Sawyer (?) still posing as a consumptive, Joe said she might stay for that night, anyway. "Nothing doing," the girls declared, "if you keep her, we pack up. No consumptives around here."

Then our lady (?) crossed her legs and Joe called the bluff. Our trouble-some Mrs. Sawyer was no other than Maynard Howe. Somehow we have a hunch Dr. M. was at the bottom of this, and if he is—well he better watch his step. It was the best clean joke played around here for years.

Mr. Howe would make a successful female impersonator if all other ways of livelihood should fail.

The drama given for the church, "The Deacon's Second Wife," was very successful, clearing over \$150.00. This work and money must be credited to the younger folks, who are taking a great interest in earning money to pay the coming pastor.

Fred Walker and Maynard Howe have returned to Bowdoin.

Lewis Toothaker left last week for his home in Rockland. From there to Brown's University. He has been working with his uncle, Elwin Comstock, at the Maine Central R. R. station for the past year.

## We Serve You

## SERVICE!

We like to put it in capitals that way because we believe it is the most important thing in the battery business.

Of course we can't make a new battery out of an old one, or a good battery out of a poor one, or a long-lived battery out of a short-lived one. There are limits even to battery service.

But we can make any battery last longer and serve better if you give us a chance. We can make the Willard Threaded Rubber Battery do both—and it already holds records for long life and reliability.

We can always do more with a battery if we get a chance right at the start, although we are ready to help anytime. Come in!

Gloria Swanson, the beautiful Paramount star who won fame by her impersonations in "Male and Female," "Why Change Your Wife?" and other notable successes, will make her debut as a star at this theatre next Thursday in "The Great Moment," a powerful photoplay of love and adventure specially written for her by Elinor Glyn, author of "Three Weeks." The story treats of a girl with a wild gypsy song in her heart. Her youth had been wasted in sheltered luxury. Then she met the MAN who was blazing civilization's path through the wilds—a MAN of the great outdoors—a MAN totally unlike the pampered sons of society who paid homage at her shrine. It is a tingling story which fascinates through its clever scenes and exceptional acting. Milton Sills is the leading man.

### FRYEBURG FAIR

Better weather could not be expected than came to the West Oxford Agricultural Society for their fair, this week. This was the 71st annual exhibit and undoubtedly the best. Nearly every department was crowded full. The display of cattle was especially large, all the sheds were filled with the best stock in the Society's limits. The display of poultry, sheep and swine was possibly less than usual.

All the officers of the Society were on the grounds and busy while the secretary, E. C. Buzzell, and assistants at times were really over-worked. The grounds were in charge of Fred M. Kenner, tickets, Secretary Buzzell; trotting department, Chas. E. Cobb; exhibition horses, A. A. Stearns; stock, G. H. Walker; midway, C. T. Shortridge; hall, J. T. Boutwell; restaurants, C. E. Cobb. The policing was under the control of Deputy Sheriff Geo. H. Coleman, assisted by Sheriff Harry D. Cole of South Paris, Charles Davis, William Stanley of Keegan Falls, H. B. McKee, Lovell, Harry Stimpson of Norway with Horace Kimball. They had little to do as the crowd was orderly and few complaints were made. Some bunco games and pickpockets were in evidence, but were soon stopped without arrests being made.

Considerable work has been done on the show grounds the past season. The trees and underbrush have been cleared, giving more parking space for autos and adding much to the looks of the grounds and it was necessary to accommodate the larger number of autos.

There was undoubtedly more than two thousand autos within the enclosure and 20,000 or more people. Wednesday was the biggest attendance in the history of the Society.

Financially the Society is strong, having no debt, with sufficient money on hand for a rainy week and, too, they carry an "expense" insurance against rain for the three days' exhibit. This insures prompt payment of premiums, some \$4,000.00 if it rains week comes.

An official award of premiums will be published in the Advertiser, next week.

There was a multitude of fakirs. Many were our old fair friends. Among the new ones: The sweet cider mill that ground up the apples and made cider while you waited oranges pressed from oranges; the man with live snakes to draw a crowd and then he sold a bottle of medicine for toothache, headache, backache and all kinds of aches.

Music for the three days was furnished by the North Fryeburg Band. Lieut. Swan of Gorham, N. H., gave exhibitions with aeroplane each day and performed many stunts in the air which were closely watched by the spectators.

### Racing Tuesday

Two special racing events were on the opening day card. Wilvena C. captured one in straight heats but in the other, Siroc had all kinds of trouble before he scored a five heat win. Bully Buck took the third and fourth heats and threatened in two others.

### A Look at the Hall

A glance around the hall showed larger exhibits than were ever gotten together in the fair's history. Three Granges competed. Each grange was allotted 100 feet square space, or twenty feet in length. The farm product section of the granges was downstairs in the lower hall. All the exhibition space was billed to overflowing. It was all exhibit, no sign of back-ground.

Mountain View Grange, East Conway, N. H., was in charge of Mrs. S. W. Hill, Mrs. Eben Flint and Mrs. Joseph How. In the upper hall, and Howard Woodward and Gordon Gerry downstairs. This is a small grange, right around 60 members. They took 2nd prize. A border of hemlock was around the top. The canned goods, fancy work and cooked food was good and they had a large number of quilts and rugs. The farm products consisted of everything for the table, no monstrosities. A corn fringed was traced around the front and traces of corn among which traces of red ears abounded. We learned the red cars in this section was very good, this year. The "Bureka" potatoes raised by Chas. Irish in 1920 were hard and firm.

East Fryeburg Grange, No. 137, got the third prize. Carrie Rose, Mrs. Geo. Spencer and Mrs. Sam'l Richardson were the ladies in charge. This grange numbers 51 members. The rugs, drawn, braided or knit, formed the front, and the border about the top was corn color. The corn color was very appetizing.

Frank W. Sanborn was ready to explain the merits of the different vegetables and farm products. The onions were fine, and a pumpkin that would weigh close to 100 pounds, traced corn was everywhere. The emblems of the grange were well worked out.

Pequawick Grange, No. 146, North Conway, N. H., won first premium. They had the most beautiful fancy work, and a fine lot of antiques. Mrs. Olva Nash, Mrs. Janette Pendexter, Mrs. Eva Durr, and Mrs. Abbie Down had charge.

This grange has 238 members. Miss Ann McMillan, who married into the Pendexter family, and is now more than 200 years old, was among the antiques. She was hand carved wood and painted.

The dress and skirt were made from two wedding dresses of the long ago. She has been kept for the children in the succeeding families, and when they become old enough to appreciate her they were given the doll. This is the first year Mrs. Ann Pendexter attended the fair. The case of cooked food was full from a maple sugar cake as big as a cheese to strawberries and chicken. It took a lady hours to put the food in position. Hand woven blue coverlids and a white hand embroidered baby's dress and cape that was done more than a hundred years ago, and today there is no embroidery finer. J. L. Pendexter was looking after the real men's part of the show in the lower hall. The finest land could raise was just piled in and heaped up. This grange has exhibited at this fair 17 years and got the blue card 15 times.

The canned goods could never have looked better (and they extended the whole length of the center of the hall). Mrs. P. M. Kenner had fully one-half of them, and would count up into the hundreds. She got lots of first premiums and also first on collection. Mrs. E. P. Gray of Fryeburg got third premium on collection and a number of other premiums on different varieties. Mrs. E. T. Flint of Fryeburg had second premium on collection and a goodly lot of firsts. There was a maple syrup from Samuel Richardson & Sons', Oak Ridge farm, East Fryeburg.

A. A. Perry of Fryeburg had twelve exhibits in the collection of cut flowers; also grapes and raspberries. Mr. Perry is a summer resident at Fryeburg. His winter home is in Somerville, Mass. Farming is a fad of his and a practical one. He had 46 first prizes on his farm products. There were seven varieties of melons and four of cabbage. The head of Drumhead Savoy cabbage was the largest and handsomest cabbage head we ever saw. The cauliflower were large and uniform white. A large, delicious apple had been grown from a tree five years old.

Walter Sanborn of East Fryeburg got first on a collection of apples and other fruits, fifty plates and a basket.

J. H. Woodward and Harriet Woodward had charge of the general fancy work display. This was not only home exhibits but some were sent from Whitefield, N. H., and West Paris. There was the largest exhibit this year there ever has been. B. T. Newman of Fryeburg, the well known artist, had oil paintings of local landscape scenes and fish. Miss A. C. Bradley of Fryeburg, artist, had water color landscape paintings.

The Brownell Boys' and Girls' clubs had farm crops of their own raising and canned goods.

Mrs. Lester Kiesman of Fryeburg and Mrs. Samuel Richardson had a fancy display of butter. Domestic butter by Mrs. Samuel Richardson, Fryeburg; Mrs. Mary A. Fessenden, Esther Walker, 14 years, Brownfield, and Mrs. Hulda Warren, East Brownfield.

Mrs. A. L. Freelove of North Bridgeton had her millinery display. There were a "dozen and one" jewelry counters, a rest room, lunch counter and music as free as air.

### Poultry Department

The poultry was under a tent. We note: Black Jersey Grant fowl, Wm. E. Arnold, Denmark; Ancona fowl, Russell Haggett, Bridgeton; Single Comb R. I. ### WONDERFUL GAIN IN WEIGHT REPORTED

Young Woman Only Weighed 76 Pounds  
—Now Weighs Over 100 and is Gaining Every Day

"Before I began taking Tanlac I only weighed 76 pounds, I now weigh over one hundred and am gaining every day," said Miss LaRue Davis of Chattanooga, Tenn.

"I bought my first bottle of Tanlac at Gas City, Ind., and it helped me so much that I continued using it. I have always been very delicate and suffered a great deal from stomach trouble and rheumatism. I rarely ever had any appetite and simply could not relish anything. I fell off until I only weighed 76 pounds and was so thin I looked perfectly awful. This is the condition I was in when I began taking Tanlac.

"Oh, I feel so different now. Even my complexion is improved. My appetite is good and I can hardly get enough to eat. Tanlac is simply grand and I can truthfully say it is the only medicine that has ever done me any good."

Tanlac is sold by A. L. Clark Drug Co., Norway; Stowell Bros., Locke's Mills; R. E. Pinkham, East Waterford; W. H. Brown, East Stoughton; Heald, Stearns & Kimball, Lovell; H. L. Hutchins Co., North Fryeburg; L. R. Rounds & Co., Waterford, and P. G. Barrett, Welchville, Me.

## WOMEN OF MIDDLE LIFE

A Dangerous Period Through Which Every Woman Must Pass

Practical Suggestions Given by the Women Whose Letters Follow

Afton, Tenn.—"I want other suffering women to know what Lydia E. Pinkham's Vegetable Compound has done for me. During the Change of Life I was in bed for eight months and had two good doctors treating me but they did me no good. A friend advised me to take Lydia E. Pinkham's Vegetable Compound, which I did, and in a short time I felt better. I had all kinds of bad spells, but they all left me. Now when I feel weak and nervous I take the Vegetable Compound and it always does me good. I wish all women would try it during the Change of Life for I know it will do them good. If you think it will induce some one to try the Vegetable Compound you may publish this letter."—Mrs. A. KELLER, Afton, Tenn.

Mrs. Mary Lister of Adrian, Mich., adds her testimony to the value of Lydia E. Pinkham's Vegetable Compound.

"It is with pleasure that I write to you thanking you for what your wonderful medicine has done for me. I was passing through the Change of Life and had a displacement and weakness so that I could not stand on my feet and other annoying symptoms. A friend told me about Lydia E. Pinkham's Vegetable Compound and the first bottle helped me, so I got more. It cured me and I am now doing my housework. Your medicine is certainly woman's friend and you may use this testimonial as you choose."—Mrs. MARY LISTER, 608 Frank Street, Adrian, Mich.

It is said that middle age is the most trying period in a woman's life, and owing to modern methods of living not one woman in a thousand passes through this perfectly natural change without experiencing very annoying symptoms.

Those smothering spells, the dreadful hot flashes that send the blood rushing to the head until it seems as though it would burst, and the faint feeling that follows, as if the heart were going to stop, those sinking or dizzy spells are all symptoms of a nervous condition, and indicate the need for a special medicine.

Lydia E. Pinkham's Vegetable Compound is a root and herb medicine especially adapted to act upon the feminine system. It acts in such a manner as to build up the weakened nervous system and enables a woman to pass this trying period with the least possible annoying symptoms.

Women everywhere should remember that most of the commoner ailments of women are not the surgical ones—they are not caused by serious displacements or growths, although the symptoms may be the same, and that is why so many apparently serious ailments readily yield to Lydia E. Pinkham's Vegetable Compound, as it acts as a natural restorative and often prevents serious troubles.

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.

### Congregational Church Notes

The Church Council will meet the pastor in the vestry of the church Thursday evening at 7:30. The Council is composed of all the officers and committee chairmen of the church, Sunday School and all auxiliary organizations of the church, and it is very important that every member be present. The purpose is to outline plans for the new year work, and any ideas, plans, criticisms, or suggestions which may be brought up will be heartily welcomed.

The subject of the sermon for next Sunday morning is "The Essence of the Gospel." The Sunday School will convene immediately following the morning preaching service, and will observe at this time its annual Rally Day and Promotion exercises. It is earnestly hoped that every member and friend of the church and Sunday School will make an effort to be present and make it a real "Rally Day."

In the evening there will be a stereopticon missionary lecture given in the vestry of the church, under the auspices of the Christian Endeavor Society. Subject: "Turkey and the Great War." An offering will be taken for the missionary work of the Society.

Next Wednesday evening the fifth study in the series "The Message of Jesus to Our Modern Life," will be "Jesus' Teaching Concerning the Family."

Jesse Twitchell was the son of Mr. and Mrs. O. E. Twitchell of Portland, and a fine cornetist.

Mrs. Helen Noyes has gone to Portland to be with her mother, Mrs. Knight, who is in the Maine General Hospital for treatment.

The lecture room of Deering Memorial Church was crowded Sunday morning with those who came to witness the promotion exercises of the various departments. One class graduated from the Teen Age Department, two from the junior and one from the primary. The latter were each presented with a nice leather bound Bible.

Rev. E. A. Morris was in Lewiston Tuesday to attend the lecture on "The Validity of American Idealism" given by Dean Shailer Matthews of the University of Chicago Divinity School, in Bates College Chapel.

Since returning from England, Mr. Morris, pastor of the Congregational Church, has received three communications relative to his position in New England, all of which he has declined. Mr. Morris attributes this to the publicity given the Oxford Debate.
